The image features the text "NY-101928-0" in a large, dark brown, serif font. The text is centered horizontally and partially overlaid by a series of five blue, curved, ribbon-like shapes. These shapes are arranged vertically, with the top two overlapping the text and the bottom three positioned below it. Each blue shape has a thin white outline and a light gray shadow, giving them a three-dimensional appearance. The shapes are curved, resembling stylized waves or segments of a larger design.
