

NY-121 171-M

The image displays the alphanumeric string "NY-121 171-M" in a large, bold, black serif font. Below this text are two identical yellow U-shaped cutouts. Each cutout features a dashed line along its inner curve and a solid black outline. The cutouts are positioned such that they appear to be part of a larger assembly or a template for a physical object. The first cutout is located directly beneath the "NY-121" portion of the text, and the second is beneath the "171-M" portion. The overall composition is centered and symmetrical.
