

NY-130172-0

The image features the text "NY-130172-0" in a dark brown, serif font, centered horizontally. Behind the text and extending vertically are several yellow, curved, ribbon-like shapes. These shapes are arranged in a vertical column, with some overlapping the text. Each yellow shape has a thin white border and a thin gray border. The shapes are curved, resembling a stylized 'C' or a segment of a circle. There are five such shapes in total, stacked vertically. The first shape is at the top, followed by a second shape that is partially obscured by the text. The third shape is also partially obscured by the text. The fourth and fifth shapes are at the bottom, also partially obscured by the text. The overall effect is a decorative, layered background for the text.
