

NY-131270-S

The image displays the alphanumeric string "NY-131270-S" in a large, bold, black serif font. Below this text are two large, dark gray U-shaped cutouts, each with a white outline and a dashed line indicating a fold line. The cutouts are positioned such that they appear to be part of a larger assembly, with the text "NY-131270-S" visible through the central opening of the left cutout and the right cutout. The cutouts are oriented horizontally, with the open end of the U-shape facing upwards.
