

The image displays two identical, irregular, five-sided shapes side-by-side. The shape on the left is white with a thin grey outline. The shape on the right is solid red with a thin grey outline. Both shapes have a complex, non-convex geometry with several sharp angles and curved edges. The text 'SGGB-146723-G-V-CW-Q' is printed in a small, black, sans-serif font at the bottom center of each shape. The overall composition is simple and minimalist, focusing on the contrast between the white and red shapes.
