The logo of the South Georgia Conservation Bureau (SGCB) is positioned behind the text. It consists of a vertical stack of five curved, ribbon-like shapes. The top, third, and fifth shapes are yellow, while the second and fourth shapes are blue. Each shape has a thin black outline and a small, faint text label at its base: "SGCB-146885-N.M" for the yellow shapes and "SGCB-146885-W.M" for the blue shapes.
