

SGGB-89715-M

The graphic consists of two large, overlapping U-shaped elements. The left U-shape is white with a black outline and a dashed black line inside. The right U-shape is maroon with a black outline and a solid maroon line inside. A ribbon-like band, also maroon with a black outline, passes through the center of both U-shapes, curving around them. The text 'SGGB-89715-M' is superimposed over the top of the U-shapes. The text is in a large, black, serif font. The 'S' and 'G' are on the left, followed by 'G' and 'B' in the middle, then '8' and '9' on the right, followed by '7' and '1' on the far right, and finally '5' and 'M' on the far right. The text is partially obscured by the U-shapes and the ribbon.
